

## Cookie Policy

The contents of this Cookies Policy are as follows:

1.- What are cookies?

2.- Why do we use cookies on this website?

3.- How can I configure or disable the use of cookies on this website?

4.- What kind of cookies do we use on this website?

### **1. WHAT ARE COOKIES?**

A cookie is a file that is downloaded onto your computer, smartphone, tablet, or any other electronic device, when you access certain websites. Cookies are necessary to make browsing easier and improve your experience on this website.

The purpose of this Policy is to help you understand how we use cookies on this website, their duration, and purpose thereof and your options for managing and even disabling them.

### **2. WHY DO WE USE COOKIES ON THIS WEBSITE?**

The cookies we use enhance your browsing experience on our website and help us to improve the quality of our website. They also allow us to store and recover information on your browsing (and that of any device) and learn your browsing habits or those of any other user.

If you would like more information about cookies, we suggest you consult the "Guidelines on the use of cookies" ("Guía sobre el uso de las cookies") published in Spanish by the Spanish Data Protection Agency: <https://www.aepd.es/media/guias/guia-privacidad-y-seguridad-en-internet.pdf>

### **3. HOW CAN I CONFIGURE, DISABLE, OR REMOVE COOKIES?**

During browser installation or update, you can accept or reject the installation of cookies, you can even opt not to accept certain cookies, and you have the option of being notified every time you receive a cookie. You can also disable all cookies completely. Disabling some of the cookies may prevent you from being able to enjoy some of the functionalities of the website, as specified in this [table](#).

After each session, you can remove all or some of the cookies stored using your browser settings.

Although these options are configured differently for each browser, cookies can usually be configured in the "Preferences" or "Tools" menus of your browser. For more detailed information on how to manage the cookie settings in your browser, consult the "Help" menu.

Similarly, you can set up two kinds of browsing: private browsing, whereby your browser does not save your browsing history, passwords, information from pages

you visit; or the Do not track function to prevent the browser from tracking your browsing habits.

If you would like to receive more information regarding behavioral advertising and to exclude the installation of other third-party cookies linked to this kind of advertising, click here: [www.youronlinechoices.com/es/](http://www.youronlinechoices.com/es/)

#### **4. WHAT KIND OF COOKIES ARE THERE AND HOW DO WE USE THEM ON THIS WEBSITE?**

Depending on the purpose for which the data obtained through cookies are processed, we can distinguish the following types of cookies:

- 1) **Technical cookies**: They enable you to browse the website and use the various options and services offered on it, such as traffic control and data communication, identifying the session, etc.
- 2) **Personalization cookies**: Thanks to these cookies, you can access the service we provide on this website with certain general, predefined characteristics in accordance with a series of criteria implemented on your device, such as language choice, the type of browser through which you access the service, the regional settings from which you access the service, etc.
- 3) **Analysis cookies**: These allow us to monitor and analyze your behavior and that of other users of the website. We use the information collected through these cookies to measure the activity on this website and to draw up users' browsing profiles for this website in order to improve the service.
- 4) **Advertising cookies**.- These are cookies, whether processed by us or by third parties, that enable us to efficiently manage the advertising spaces on our website, adapting the advertisement's content according to the content of the service requested or to your use of our website. Thanks to these cookies, we are able to learn about your internet browsing habits and show you advertising relevant to your browsing profile.
